

Our \$40 standard rental allows you to compete in your event in a quality, name brand wetsuit without shelling out the quality, name brand price. We'll choose the best suit for you based on the height and weight you provide. We've answered some common questions on sizing [at our website](#).

Here are some details about your rental period...

- The Target Ship Date for your suit is **2 Wednesdays** (approx 10 days - see calendar below) before your event. ****This is a SHIP date - not an arrival date****.
- If you order by your Target Ship Date, you are only guaranteed to have the suit the weekend before your event *if* you select FedEx 2-Day Air shipping. Depending on your location in the country and how far in advance of your Target Ship Date you order, it is possible that your suit will arrive a weekend early without the expedited shipping, but we can't guarantee it.
- If you order after your Target Ship Date, we will ship your order within 48 hours of receipt. In most cases it will be 24 hours, but when we're busiest, it may take 48 hours.
- If you order the week of your event (Monday or later), you **MUST** choose the FedEx 2-Day Air or Overnight shipping option. If you do not, we will automatically upgrade your shipping method and charge you the incremental cost.
- If in *any* case, your chosen shipping method is insufficient for getting your suit to you in time, we will automatically upgrade your shipping method and charge you the incremental cost. **However**, choosing the correct shipping method is ultimately your responsibility. We try to catch customer mistakes but will not be held responsible if we miss it and your mistake leads to a late arrival.
- Saturday delivery is only available if you phone us first so we can ensure that we have a suit in stock for you and that FedEx Saturday delivery is available to your address.
- Your rental suit return must be postmarked no later than the Wednesday following your Event Date - even earlier would make us *very* happy!
- You can purchase extra time with your wetsuit - great for training beforehand or extending your rental to cover multiple events!
